

In the Application of:  
Jesse H. GAYTAN  
Serial No. 09/801,871

---

**IN THE SPECIFICATION:**

Please replace paragraph 0033 with the following:

[0033]        The acephate is preferably milled before granulation. Details of the milling process are described in my copending application, serial number 60/279,433 (attorney docket no. 41322).
